Dean of student notes

By DEAN HUMPHREY LEE

I would like to take this opportunity to thank the Afro American Club, The Courier Staff, The Student Life Committee, and Phi Theta Kappa, our voluntary student organizations for their involvement and service to Shelton State Community College, Junior College Division.

Special accolades should go to Phi Theta Kappa sponsored by Ms. Grimes and Mrs. Dohrman. As our college

honorary you have raised your own funds, hosted countless receptions and have always been there when jobs "had to be done." I appreciate your responsible attitudes and will always treasure my association with you this year and in the years to come.

Also, thank you to all other students who were not afraid to get involved and to work for their junior college. We at Shelton State are richer for students like you.

Used Book Sales 1981

PTK to sell books

By BEVERLY HUTTON

The Shelton State Phi Theta Kappa used book sale will be held again this Spring Quarter. PTK hopes you will use this opportunity to sell your books even though you may not attend the Summer Quarter.

The in-take of books will begin the Monday of final exam week. The in-take will run May 28 thru June 2nd. Times that will be worked will be posted before in-take begins to inform

students of the correct time to bring their books.

The actual sale of books will not begin until the day of registration June 8. The sale should continue for the remainder of that week. Times for the sale will also be posted for the convenience of the students wishing to purchase books. PTK hopes that you will take advantage of this service during the Spring and Summer Quarters.

Four overlapping forms for book sales, each with a unique number and fields for NAME, ADDRESS, and PHONE NO.

- Form 1: No. 00218
- Form 2: No. 00217
- Form 3: No. 00216
- Form 4: No. 00215

Form 5: No. 00311

(FOR THE VERY LAST TIME . . . TILL NEXT YEAR)

INITIATION

We held our Spring Quarter Initiation on Tuesday, April 21, or so I was told. Ten members were initiated, those being Elsie Alvis, Judith Antonoplos, Julia Johnston, Nancy Mickle, Patricia Murphy, Richard Pickle, Cynthia Rowlett, Catherine Sawyer, Christine Scott, and Jane Shinn. The highlight of the program was Dr. Oden's slide presentation of the National Convention in Houston, as if we really wanted to be reminded. The have been such a great idea, as, after viewing the atrocities, none of the initiates would take the pledge of membership. (Just kidding. "NO HE'S NOT! SHUT UP!"). Anyway, all members were enrolled, held candles, signed the roll, etc., etc., refreshments served, you know, the usual.

RE: Picnic

You and your family are cordially invited to the annual Phi Theta Kappa summer picnic to be held Saturday, July 25, at Lake Nicol. (see attached map).

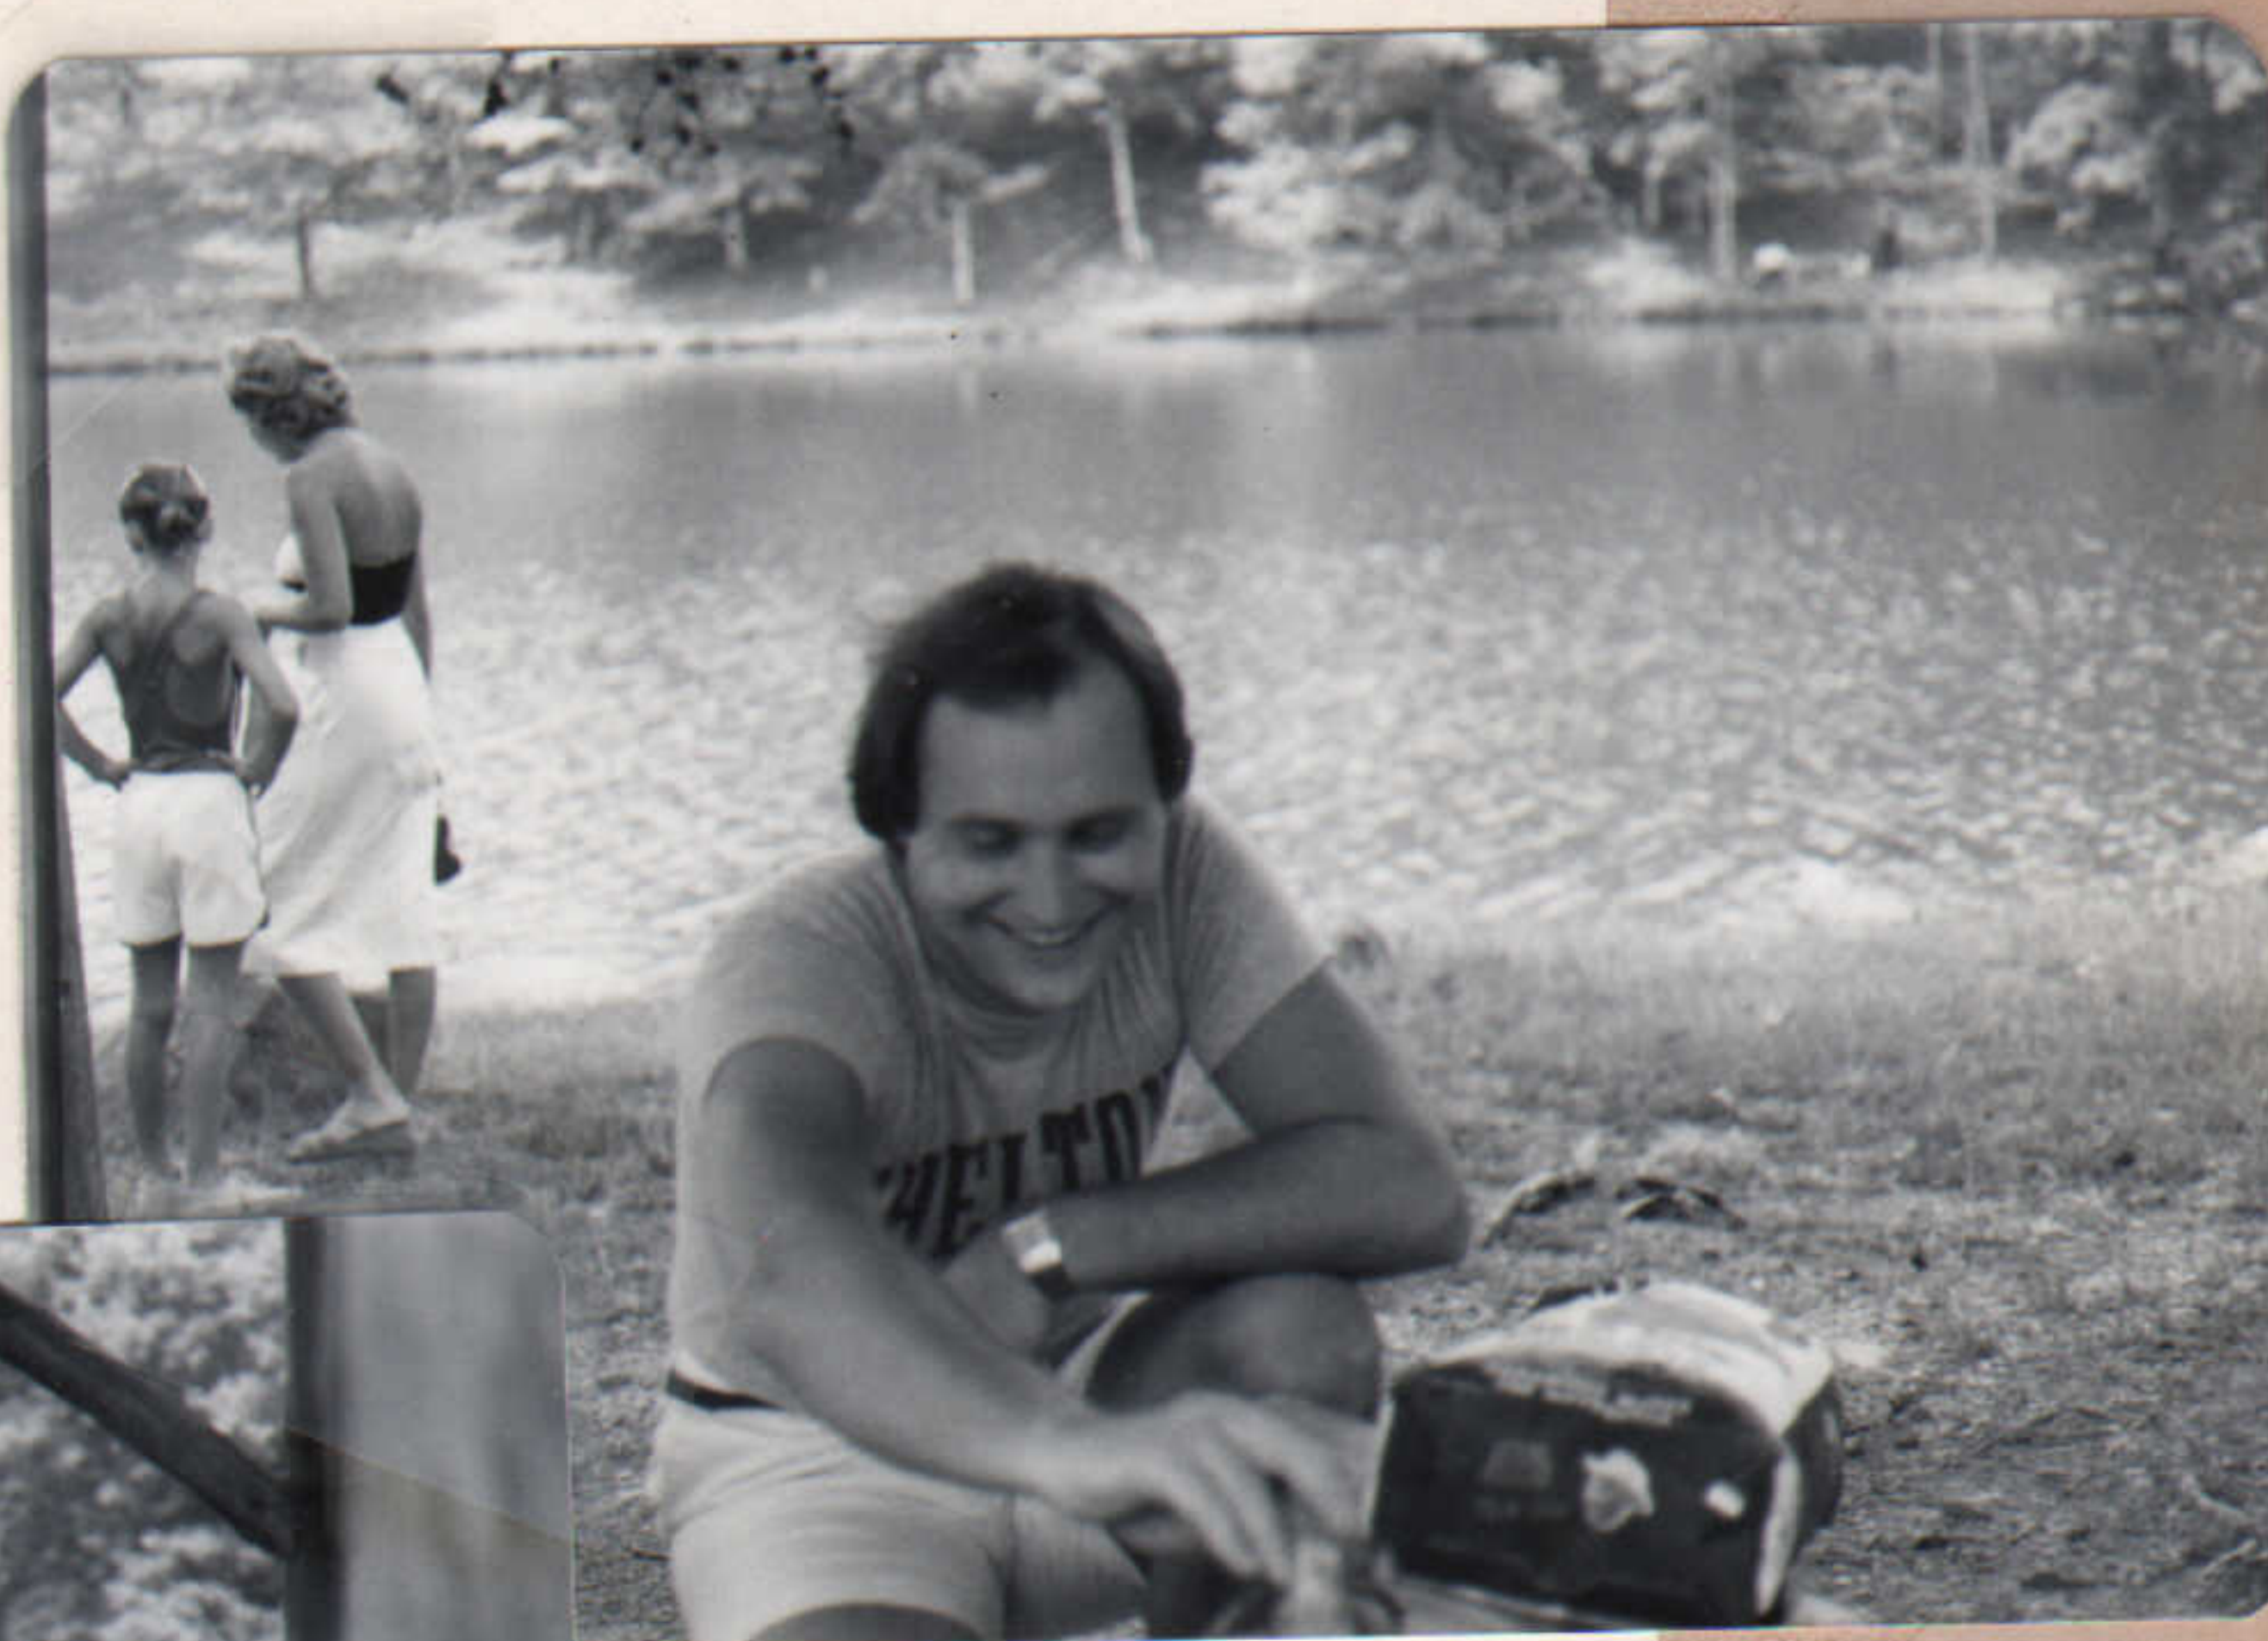

We plan to start at 10:00 and stay until we get tired. We'll have hotdogs, cold drinks, and covered dish surprises.

Our agenda includes eating, canoeing, swimming, and hiking.

Please come meet our members and their families and share lunch with us.

BAMA NEWS

A PTK NEWSBRIEF FROM ALPHA EPSILON IOTA CHAPTER
SHELTON STATE COMMUNITY COLLEGE
TUSCALOOSA, ALABAMA

September 16, 1981

Dear PTK Members:

Hi! We hope you had a good summer and have settled in for a busy fall. Alpha Epsilon Iota, as your state president, has been making plans for the 1982 state convention.

Although we have not picked a specific date for the convention, we are aiming toward the end of January 1982. This is a little earlier than usual but we're trying to keep from conflicting with final exams for the Winter Quarter. As soon as we set a specific date, we'll let you know.

We would like to announce two activities that we are planning for the convention. First, we will have a Scholar Bowl competition for interested chapters. We plan to follow Alabama Junior College Scholar Bowl guidelines and to open competition only to PTK teams. This means that your college Scholar Bowl team will not be eligible unless all of its members are also PTK members of your chapter.

We will award a revolving trophy to the winning chapter (who will pass it along to the next year's winner). So---get your team together and practice! We'll send you a copy of the rules later in the fall.

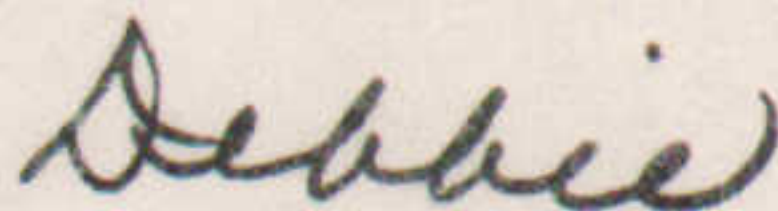

The second announcement is that we are now accepting manuscripts for inclusion in an Alabama PTK literary magazine. This project is designed to emphasize the 1981-82 Honors Topic, "The Short Story: Mirror of Humanity." We will accept short stories, naturally, as well as poetry and essays on the Honors Topic. All entries must be typewritten, double-spaced, and received by us no later than November 30, 1981.

As editors, we plan to compile the journal in time for publication and distribution at the state convention. All entries must be the original works by PTK members. We hope that many of you will participate!

Finally, we'd like to give you something to think about between now and the Leadership Conference. Would you like a specially designed Alabama PTK t-shirt to wear at both state and national conventions? Discuss this possibility and let us know what you think when we meet at Southern Union for the Leadership Conference.

See you soon!

Sincerely,

Deborah Grimes, Sponsor

A PTK NEWSBRIEF FROM ALPHA EPSILON IOTA CHAPTER
SHELTON STATE COMMUNITY COLLEGE
TUSCALOOSA, ALABAMA

December 8, 1981

Dear PTK Members and Sponsors:

This is our last information packet to be sent before the state convention January 29-31, 1982!

Enclosed you'll find invitations to your academic deans and presidents. Please deliver these along with your own personal invitations to encourage your administrators to see PTK in action!

You will also find a letter from Pamela Davis, editor-in-chief of the Alabama PTK literary magazine. Please participate in this project and send in at least one or two items from your chapter. Because "pickin's look slim" we will open up the magazine to non-PTK writers. The deadline, however, will remain December 31.

We are offering a scholarship to the national convention to the PTK member who wins the short story competition--so get busy!

You will also find in this packet information from the Sheraton University Inn about hotel reservations. Please make your reservations directly with the Sheraton; we will not be handling any hotel reservations.

Please complete the registration form below and return it to us NO LATER THAN JANUARY 18 so we can complete our plans.

Alpha Epsilon Iota wishes you a happy holiday season and looks forward to seeing you in January!

LITERARY MAGAZINE WORKSHOP

We have three people, all experienced in creative writing as well as in working on literary magazines, who will be conducting our workshop. We will cover such topics as "the craft of short-story writing," "starting your own magazine," and "how to edit and publish."

We need entries from PTK'ers from all over Alabama. We have corresponded with the national office about this project and have received very positive responses. Dr. Mosal is looking forward to having our journal of file for other chapters to use as a prototype. The national office is even considering starting an award for PTK literary journals!

Dr. Mosal has also confirmed that any writings submitted to the journal may also be submitted individually to national competitions.

Sunday, Jan. 31	9:00 p.m.	Breakfast/Check-out

BAMA NEWS

A PTK NEWSBRIEF FROM ALPHA EPSILON IOTA CHAPTER
SHELTON STATE COMMUNITY COLLEGE

January 19, 1982

One final reminder--make your convention reservations as soon as possible--we have to make up lost time for the SNOW! Both Alpha Epsilon Iota and the Sheraton University Inn need to know your plans. You may call the Sheraton at (205) 556-1330 and me at (205) 759-1583 or ACTS 826-1583.

We believe we have a good program planned for you. "The Belle" has received rave reviews from Birmingham. The Friday evening performance to be held at the Bama Theatre in downtown Tuscaloosa, will be open to the public. Bama theatre-goers, incidentally, are usually "dressed up." Alpha Epsilon Iota members will probably dress accordingly; you may, however, wear whatever makes you comfortable.

Alabama PTK t-shirts will be on sale at registration for \$5.00 each.

Several scholarships will be offered to the Scholar Bowl highest scorers, as indicated below:

Livingston University	\$250-500
Alabama A & M University	\$500/4 semesters
	\$1400

Please remember to let us know if your chapter plans to "field" a team--we have to plan accordingly. Call if you can't send us a note before January 25.

Several four-year college recruiters will set up exhibits at the convention. We will introduce them on Saturday morning and they will be available to talk with you at 7:00 p.m. on Saturday evening.

Many of the junior college presidents will be in Tuscaloosa for a presidents' meeting at Shelton State on January 28. You may wish to encourage your president to attend at least part of the convention. We will need to know, however, which activities and meals will be attended by your president. Ask them to call us or include that in your registration.

Finally, a prize will be awarded to the winner of the talent competition on Friday night. We have decided to award the prize to the chapter representative by the talent entry--whether individual, duo, or group. So get busy!

Two final words: Jack Crocker (national office representative to be here)!

We look forward to seeing you at the 1982 convention at the Sheraton University Inn on January 29-31!

Sincerely,

Debbie
Debbie Grimes

PTK SCHOLAR BOWL

By popular demand, the 1982 state convention will feature a PTK Scholar Bowl. Because this is a PTK event, all teams must consist wholly of PTK members. This will give chapters whose colleges have no Scholar Bowl teams a chance to participate. It will also give them a chance to see how the Scholar Bowl works in case they are interested in fielding a team for their college.

Attached is a copy of Alabama Junior College Scholar Bowl guidelines and rules. We will follow these rules in our competition with the following exceptions:

1. Omit Rule #19. Bonus answers will be called for AT THE END of 5 seconds.
2. We will play 20 minute rounds WITH NO BREAK at half-time.

A "revolving" trophy will be awarded to the winner of our first Scholar Bowl competition (which will be passed on to next year's winner).

We would also like for each chapter to submit a round of questions (25 toss-up's and 25 bonuses) to us no later than January 8. This will help you practice and will help us compose good questions for use in the rounds. We will verify, combine, and use some of the questions in our competition. Don't forget to send answers, too!

Attached are copies of score sheets, tips for coaching, hints for making up questions, and a sheet of sample questions (these are some we used last year in our high school competition).

You will also find a registration form attached. Please complete and return it by January 8 for our records.

PHI THETA KAPPA SCHOLAR BOWL REGISTRATION

Rules & Regulations

THE GAME

1. College Bowl is a question-and-answer game (usually) played between two teams of four players each.
2. Points are scored by correct answers to questions asked by the Moderator.
3. There are two types of questions: Toss-ups, worth 10 points each, and Bonuses, each worth a pre-stated number of points from 20 to 35, depending upon complexity and degree of difficulty as evaluated by the College Bowl Editorial and Research Department.

✓ 4. The game is played in halves. Each half begins with a Toss-Up Question. The first player to signal, answers, and must do so without consultation.

✓ 5. Players should be given approximately 3 seconds from the time the Moderator stops reading to signal, and then must answer as soon as recognized. The moderator should allow for a natural pause, but no stalling. (Timing with a stopwatch is not necessary).

6. If a Toss-up answer comes after time has been called, it doesn't count.

7. If a player confers with a team-mate, the answer does not count. The question is turned over to the other team. The first player to signal, answers.

8. If a player answers without being recognized the answer does not count. It's the same as a wrong answer.

This rule is in effect to prevent players from answering because they "think" they signalled first. That is not the same as *actually* signalling first, and the right of the player who really has signalled must be protected.

9. On a Toss-up, the first response given is the one that counts. Sometimes a player will attempt to give more than one piece of information in his answer.

There are instances when such a response is acceptable. The Moderator (and Judge) must distinguish whether the player has in fact pinpointed the answer or is just rattling off a list of facts on a given subject.

This situation is particularly likely to occur on an interruption. The Moderator (and Judge) must be alert. This is a judgment call.

10. If a player answers a Toss-up Question correctly, his or her team scores 10 points and is given a chance at a Bonus Question.

11. If a player answers a Toss-up wrong, the question is turned over to the other team for 10 points. On the turnover, a player still must signal and be recognized before answering. (The Moderator need not re-read the entire question for the other team, but may pick it up from a logical point).

12. If the half or game ends while the Moderator is reading a Toss-up, he or she stops right there, without giving either team a chance to answer.

However, if a player on either team has signalled before the whistle, he or she is given an opportunity to respond. If the answer is wrong, the question is not turned over to the other team.

13. If a player believes he or she knows the answer to a Toss-up Question before it has been completed, he or she may interrupt the Moderator by signalling. If the answer is correct, the team scores 10 points. If the answer is wrong the team is penalized 5 points and the entire question is repeated for the other team.

14. If the Moderator inadvertently gives an answer to a Toss-up without giving either team a chance to respond, or without turning the question over, he or she takes the next Toss-up Question in the stack and plays it according to the rules of the game as set forth.

15. If someone in the audience shouts out an answer, the moderator throws out the question and goes to the next question in the stack, with all other rules of the game as set forth in effect.

16. Every time a player answers a Toss-up Question correctly, his or her team, and that team only, gets a chance at a Bonus, except when that answer ends the half or game.

17. Team members may confer on Bonus answers. All team members are encouraged to participate as much as possible. However, if there are conflicting answers, the Moderator will ask the team captain for the team's official answer.

18. The team should be given approximately 5 seconds to confer on its answer. Again, the Moderator should allow for natural pauses, but no stalling.

19. If a Bonus answer comes after time has been called, it does not count.

20. If a Bonus Question has several parts that are to be asked separately, the Moderator will allow approximately 5 seconds per part for the team to confer and answer.

✓ 21. If a Bonus Question calls for two or more answers within a one part question, the Moderator will allow only the initial approximately 5 seconds for the team to begin its answer.

22. On all Bonuses you can anticipate some delay in response because of conferences or the pressure of giving multiple answers. Allow the answers to come naturally, but remember, no stalling.

23. If a half or the game ends while the Moderator is reading a Bonus, he or she stops right there, without giving the team the opportunity to answer.

24. A team must begin its bonus answer before the whistle ending the half or game.

If it is a Bonus with multiple parts, the team gets to answer only the part that the Moderator has finished.

25. College Bowl is played in halves. A whistle starts and ends each half. The team that is ahead when the final whistle blows, wins.

(All television and radio matches, including the National and World's Championship, are played in 7-8 minute halves. To properly prepare your players, you should gauge your matches accordingly).

26. If the score is tied at the end of regulation time, the tie is broken by a sudden-death play-off of Toss-up Questions. First correct answer scores 10 points and wins the game. An incorrect interruption to a tie-breaker loses 5 points, and the game.

The answers provided on the College Bowl game cards are official answers. It is possible, however, that in reviewing the questions some game official will discover other acceptable answers. These should also be added to the card.

28. If a player or team wishes to protest either an accepted answer to a question or a game procedure, the protest must come before the start of the next regularly scheduled match.

If the protest is upheld, and the results of the decision can be reduced to a mathematically calculable difference in the outcome of the game, then the situation should be handled in one of two ways:

- a. Award the game to the team that has the most points when this mathematically calculable difference is accounted for, or
- b. Re-play the match.

29. The person(s) organizing your College Bowl competition should decide prior to competition, how this is to be handled. Notify all competitors in pre-tournament briefing.

GAME OFFICIALS

1. **The Moderator** enforces all the rules of the game in a fair and judicious manner.

He runs the game. The other officials are there to back him up, and to intervene only when the Moderator cannot handle a situation alone.

The Moderator enforces the 3 second rule on Toss-ups and the 5 second rule on Bonuses. When a player or team takes too long to answer, the Moderator calls time.

The Moderator's language—rules, handling turnovers, penalties, tie-breakers, etc.—is included later on.

2. **The Judge** must be able to see and hear all the action of the game—Moderator, players, announcers, visual props, scoreboard and clock.

He is ready to assist the Moderator in ruling on any game procedures.

The Judge is thoroughly familiar with the questions and answers, and ready to rule, upon request, on the acceptability of an answer.

The Judge may disallow an answer to a Toss-up if there is a conference, or disallow the answer to any question if there is prompting from the audience.

3. **The Announcer**, from his position can see all the players and their desk fronts. On Toss-ups, his voice will identify the player who has signalled and is eligible to respond.

4. **The Scorekeeper/Timer** is responsible for blowing the whistle to signal the start and end of each half, and for monitoring the accuracy of the official clock.

He or she keeps the official team scores throughout the game, making sure they are accurately transferred to the scoreboard. If available, use two people.

REQUIREMENTS FOR VARSITY ELIGIBILITY

1. The College Bowl Varsity Squad is made up of eight players.
 2. The team that wins your on-campus competition is automatically part of the squad.
 3. In addition, you may select up to four "All-Stars" from your off-campus competition to be part of the varsity.
 4. For any intercollegiate match or tournament you may designate any five of the eight squad members to be eligible to compete.
 5. Between games, players may be substituted freely. However, a player may only be substituted during a match if one of those playing is unable to continue. A player may not be removed from a game just because he or she isn't playing well.
 6. Up to two members of your varsity squad may be graduate students.
 7. Undergraduates at four-year colleges should carry at least 12 credits.
 8. Undergraduates at two-year colleges should carry at least 6 credits.
 9. Graduate students must carry at least 9 credits.
 10. Every member of the varsity squad must have appeared in at least one intramural game.
 11. Each member of the varsity must be registered in school for the semester during which any intramural or intercollegiate matches are scheduled in order to be eligible to compete with the team.
 12. Players or teams that ordinarily would not be eligible to compete might still qualify if they seek, and obtain, a special dispensation ruling from the Regional Coordinator and College Bowl Headquarters.
- Bear in mind that no decision regarding eligibility is final until ruled upon by College Bowl Headquarters.

HOW TEAMS ARE SELECTED FOR RADIO OR TV DURING THE REGULAR SEASON

Any school that wishes to be invited to appear on radio or television must be registered for on-campus competition prior to the taping of its scheduled broadcast games.

The actual selection process is a subjective one, based on factors that involve creating interesting match-ups—everything from well-known schools against each other, to big vs. little schools, to men's vs. women's schools, to Big Ten or Ivy League match-ups, to schools with strong traditions in College Bowl competition, to as far as our imaginations take us.

Those involved in the final selection process are the ACU-I/College Bowl Committee, the broadcasters and College Bowl Headquarters.

Keep in mind that there are only a limited number of regular season games in any one year, so schools may not be selected for appearance exactly when they want. However, we will eventually get to everyone.

LITERARY MAGAZINE WORKSHOP

We have three people, all experienced in creative writing as well as in working on literary magazines, who will be conducting our workshop. We will cover such topics as "the craft of short-story writing," "starting your own magazine," and "how to edit and publish."

We need entries from PTK'ers from all over Alabama. We have corresponded with the national office about this project and have received very positive responses. Dr. Mosal is looking forward to having our journal of file for other chapters to use as a prototype. The national office is even considering starting an award for PTK literary journals!

Dr. Mosal has also confirmed that any writings submitted to the journal may also be submitted individually to national competitions.

We are in the process of finding a sponsor for a Short Story Competition Scholarship. If all goes well, we will award a scholarship to the Honors Institute or to the National Convention to the writer of the most outstanding short story submitted to the journal. So get busy!

All entries must be the original works of PTK members and must be typewritten and double-spaced. Although our original deadline was November 30, we will accept entries until December 30--but we must have them in our hands by that date so we can get to press and back by January 29.

STATE LEADERSHIP CONFERENCE

Iota Iota Chapter
Southern Union State Junior College
October 31, 1981

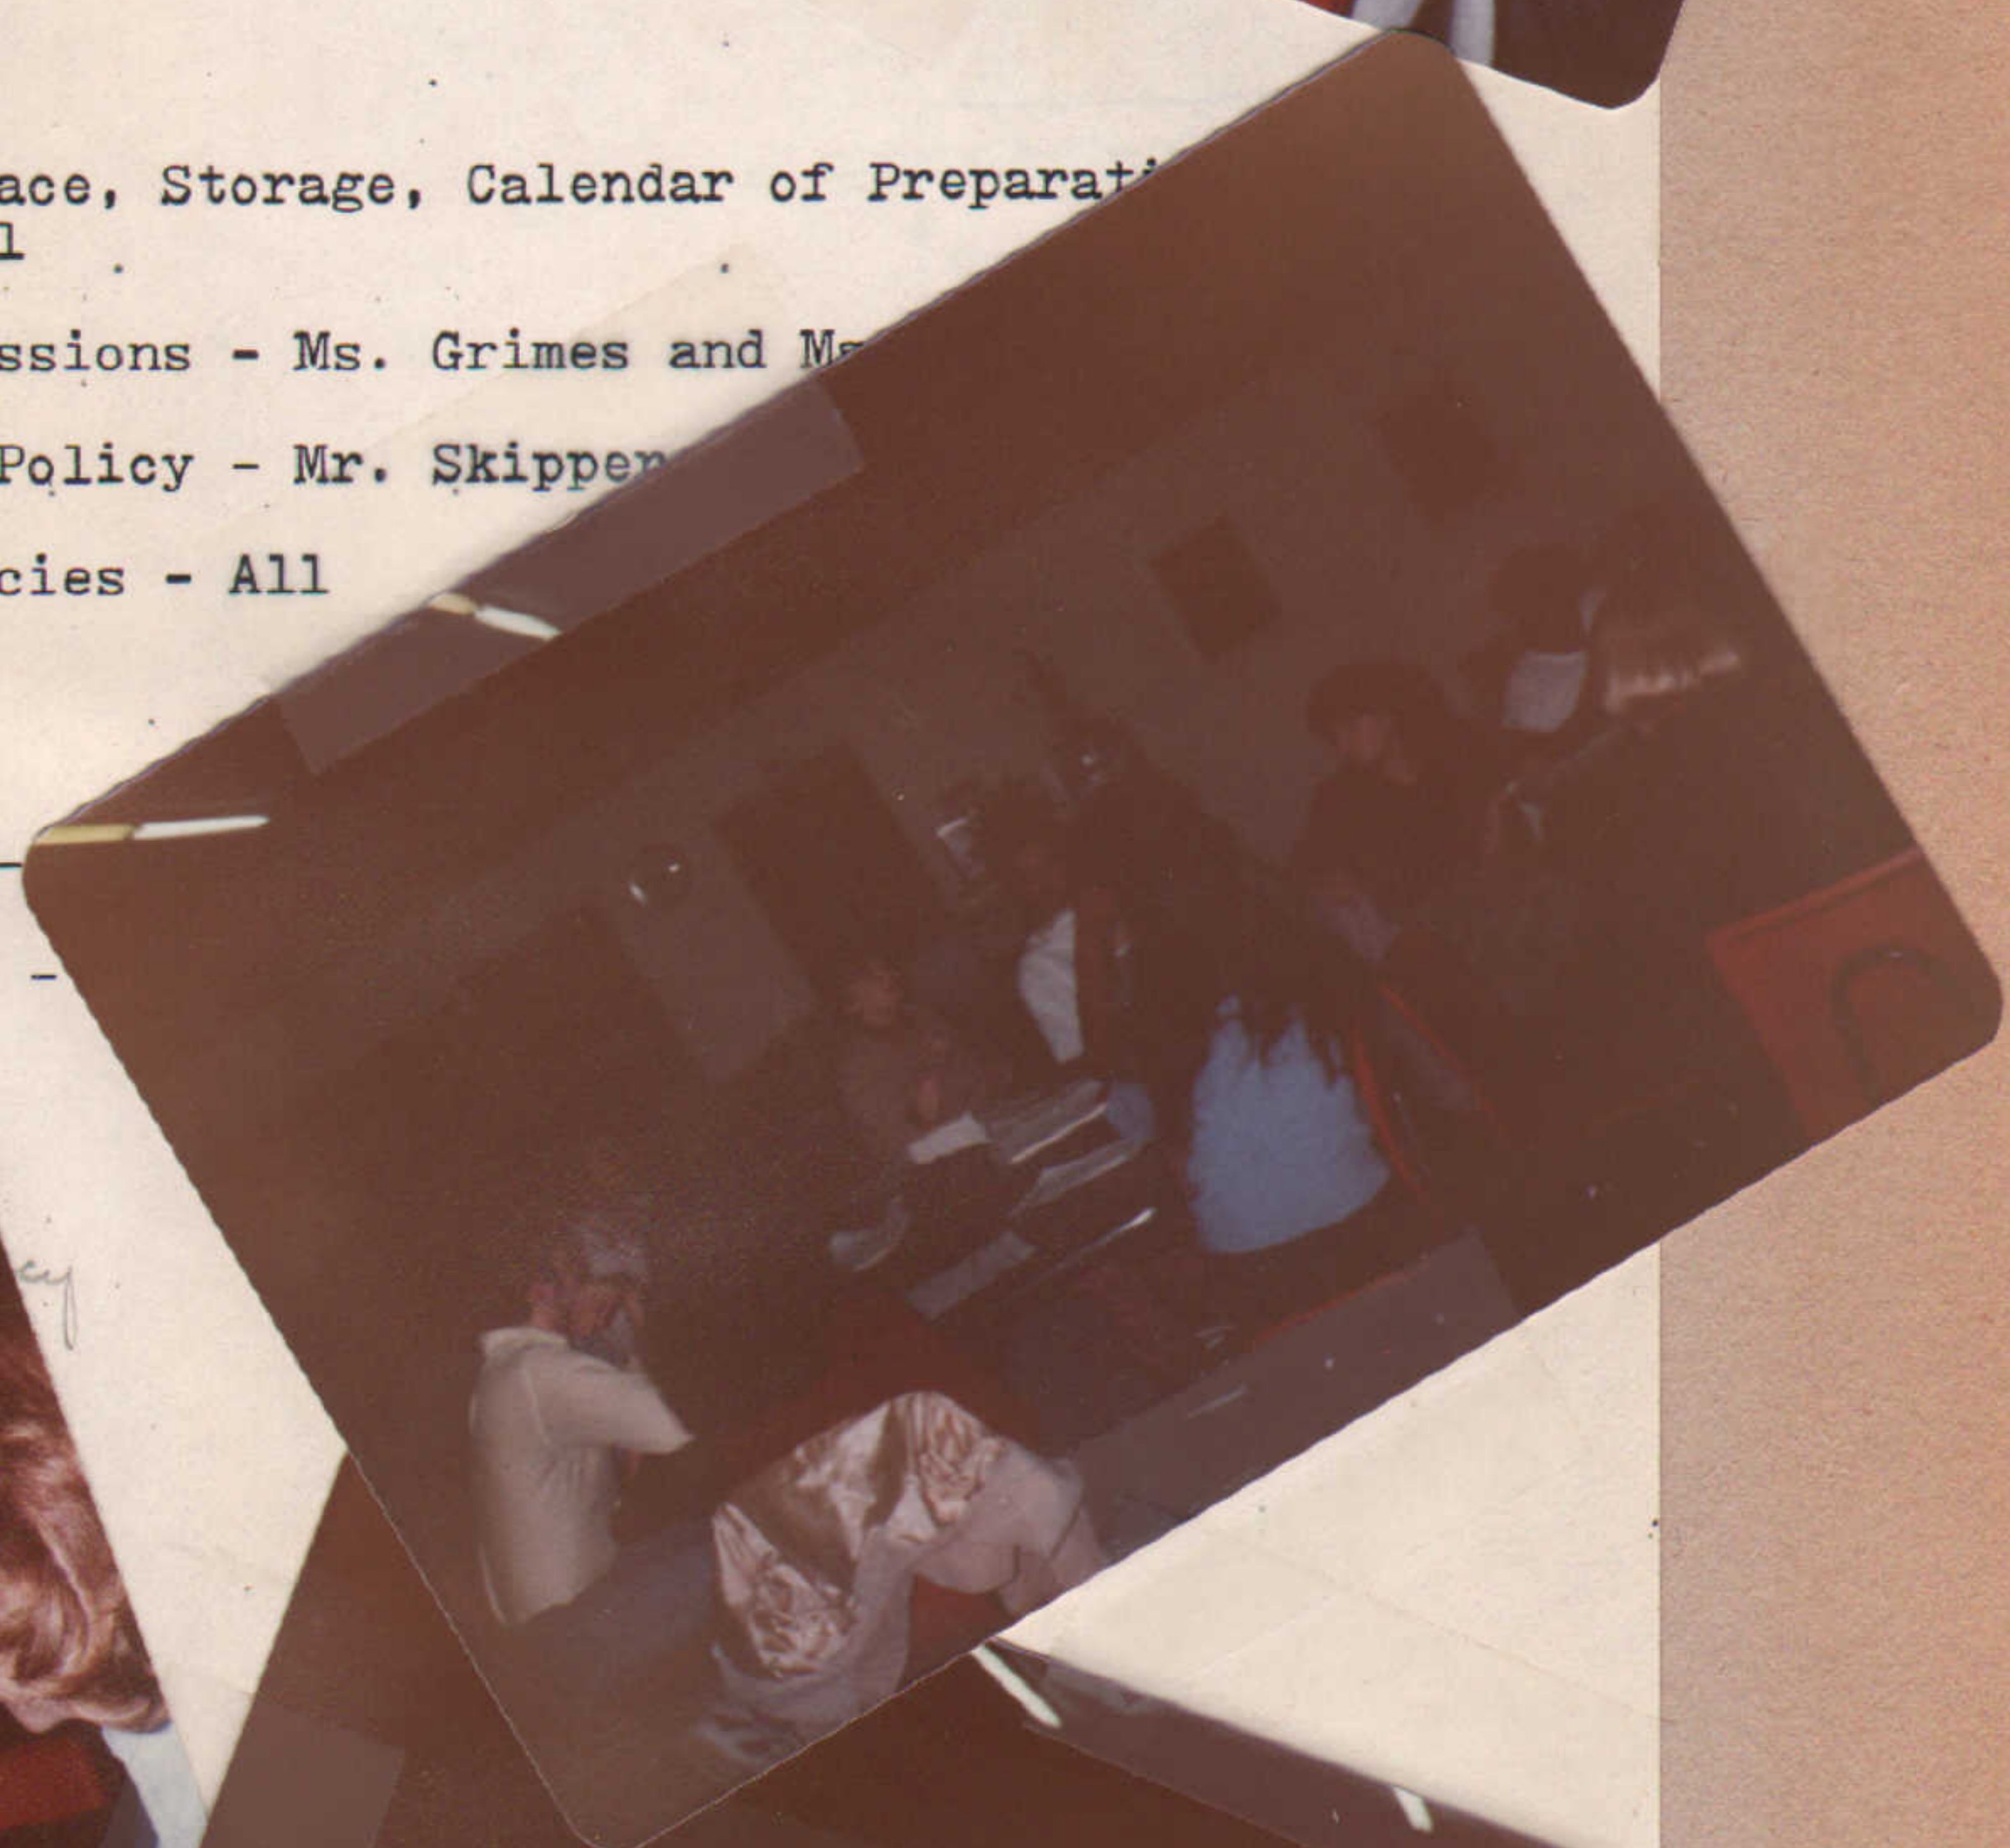

P R O G R A M

9:45 -10:20	Registration and Refreshments.....	Admin. Bldg., S.U.S.J.C.

Shelton State Community College

Program Series

PHI THETA KAPPA FRATERNITY

SPRING INITIATION CEREMONY

AND

HIGH SCHOOL HONORS RECEPTION

April 16, 1982

Phi Theta Kappa is the national honor fraternity for junior and community college students. Its goal is to encourage leadership and service to the college and the community.

Membership in Shelton State's chapter is based on academic excellence as well as a commitment to service. Members participate in service and fund-raising projects and are active at the state and national levels.

This year, Shelton State's chapter served as State Phi Theta Kappa President and hosted the 1982 Alabama Convention. One of the chapter's projects, presented at the convention, was compilation of a state-wide Phi Theta Kappa literary journal, Hidden Images. At the convention editor of the journal, Pamela Davis, was inducted into the Order of the Golden Key, the state honor roll of Phi Theta Kappans. Shelton State's chapter also won, for the second year, the Most Improved Chapter Award for 1982.

Shelton State's chapter also received recognition at the national level by being presented one of the 1982 Awards of Excellence from the National PTK office.

Sponsors for Phi Theta Kappa are Mrs. Guesna Dohrman, math instructor, and Ms. Deborah Grimes, Director of Library Services.

PROGRAM

WELCOME	Tom Matthews, President Phi Theta Kappa
INTRODUCTION	Dr. Arthur Howington, Dean Junior College Division
GUEST SPEAKER	Ms. Pat Seymour University of Alabama
MUSIC	Dan Stallings Tommy Vaughn Van Essary
INITIATION CEREMONY	Gretta Thomas
PRESENTATION OF SCHOLARSHIPS	Tommy Vaughn, Vice-president

ALEXANDER CITY, ALABAMA 35010

Omicron Upsilon

As discussed at State Leadership Conference, Omicron Upsilon has tentatively reserved a 46-passenger Trailways bus to provide convenient, economical transportation to National Convention to all Alabama Phi Theta Kappans who want to attend. (Additional busses are available if needed.)

The trip from Montgomery, via Jackson, Shreveport, and Tyler, TX (the shortest route) will take approximately 14 hours not counting stops. We plan to leave Dannelley Field, Montgomery, at 4 p.m. on Wednesday, March 25. Long-term parking at Dannelley is approximately \$2 per day and will provide security for our vehicles. We should arrive at the Shamrock Hilton in Houston around 9 a.m. on Thursday morning. You'll be able to register early, avoiding the long lines, and have some time for exploring Houston before the Convention begins. We plan to leave Houston after the Awards Banquet on Saturday night (1 - 2 a.m. Sunday, March 29), returning to Montgomery around 4 p.m. on Sunday afternoon.

The cost? Quite reasonable, we think!! The cost will be \$46 per person if we fill the 46-passenger bus; \$48, a 43-passenger bus; or \$51, a 39-passenger bus.

Please let us know how many seats to reserve for your chapter as soon as possible, no later than State Convention; we MUST have your money by that time. We're certain we can fill the 46-passenger bus -- last year we took two! Certainly Alabama will be represented as well as last year!!

If you have questions, call Ms. Nunnery at ACTS# 536-4252 (Regular No. 234-6346, Ext. 252) or leave a message with the operator (ACTS# 536-4250) and she'll call back. We'd like to know if your chapter is interested in going on the bus even though you may not have numbers yet.

PLEASE LET US HEAR FROM YOU!!!

Hattie

Dr. Margaret Mosal
Executive Director
Phi Theta Kappa Fraternity
P.O. Box 230
Canton, MS 39046

Dear Dr. Mosal:

After our second year since charterization, Alpha Epsilon Iota is ready to offer scholarships to incoming freshmen.

We plan to offer one full-year scholarship and several book scholarships to graduating high school seniors in our area. These students will also become provisional members of our chapter.

We have tentatively set April 10 as the date for our program to honor these students and to formally initiate this year's new members of PTK. We plan to have a speaker and a reception.

We cordially invite you (or a representative of the national office) to join us at our first High School Honors Reception and Initiation Ceremony.

Please let me know if you will be able to attend. I'll send additional details as our plans shape up.

I look forward to your reply.

Sincerely,

Deborah Grimes
Sponsor
